1. This contract has been reviewed and is approved subject to the following comments.

2. I believe the extension of the date of acceptance for the bids, as extended to 5 September, should be indicated in some fashion with the contract.

3. It appears that the basis for negotiation without advertising is in effect Section 3.(a) in P.L. 110 and Section 2.(c)(10) of P.L. 113, 80th Congress, 2d Session. It would seem advisable to indicate this on the Form 1036.
